Permission to touch

The true beauty of the Martine Collection is in its sense of familiarity, calm, and comfort. While the clean shapes are sophisticated and modern, hard edges and angles have been smoothed away in favor of soft curves, gentle sweeps, and perfect arcs. Solid cherry brings its accustomed warmth, silkiness, and lively grain, waterfalling over edges and occasionally applied in decorative veneers. Coventry, a new light-toned cherry, is among the attractive finish options, and with a soft shimmer of Brushed Bronze, custom-designed pendant pulls complete the picture.

Curated design, time-honored craft

The qualities that set Stickley apart

Intelligent design – For 120 years, we've known how to make furniture beautiful while continually improving its quality and functionality.

Superior craftsmanship – Our time-tested techniques and gifted artisans guarantee every piece's strength and longevity.

Honest materials – Only the finest premium hardwoods, stone tops, hardware, and upholstery fabrics go into our product.

Hand-applied finishes – The clarity of our exclusive finishes allows the beauty of the wood's grain to shine through.

Sustainable manufacturing – Our woods are sourced from FSC-approved timberlands and used with minimal waste. And nothing is more sustainable than furniture built to last a lifetime.

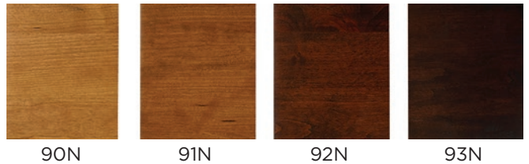
Family-owned – From the Stickleys to the Audis, the company has remained in the hands of families committed to its excellence.

Community-driven – When you buy Stickley, you support a local business that actively gives back to the communities it operates in.

Pendant pulls in muted Brushed Bronze have been custom designed for the Martine Collection. Easy to grasp with just two fingers from above or below, they appear in small and large sizes to suit the scale of the drawers.

Upholstery can be covered in any of our **exceptional fabrics,** including recycled and performance fabrics, and **rich leathers.** A wide range of textures and colors allows you to create a look that perfectly complements your home.

Martine pieces are available in any Stickley cherry finish.
Here are four we recommend:



90N Coventry | 91N Bristol | 92N Windsor | 93N Oxford

Natural variations in cherry's grain pattern and color mean that pieces will vary slightly in tone—a mark of authenticity in the very best solid wood furniture.
