FLEXSTEEL®

Simply Tailored with Classic Details

Dana is current and stylish, yet simple enough to withstand the test of time. This modestly scaled style is a great option for small spaces. With a tightly padded back, tailored roll arms and tall tapered feet, Dana fits classic touches into a streamlined design that lends openness to any space.

DESIGNED FROM THE INSIDE OUT

For over 100 years, the Blue Steel Spring™ has differentiated Flexsteel products. Its strength and resilience creates a “just right” balance of softness, support and quality. So whether you’ve got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
