BIG SKY

The natural beauty and near mystical experience of the American wilderness inspires a spirited collection from Hooker Furniture, a celebration of dramatic vistas and the freedom to roam, a land of rough-hewn timber and towering snow-capped peaks, boundless plains, and cool, clear mountain lakes. Hooker brings home a dream of wide-open spaces and a life lived in tandem with iconic landscapes with furnishings that evoke the weight, heft and heritage of post and beam construction, the mark and artistry of true craftspeople, and

substantive, thoughtful designs right for today. Watch for warm, rustic, hickory veneer, and rich finishes like charred timber, dusk, and avalanche, organic textures like burlap and top grain leather, forged hardware, and classic moldings for the traditionalist. Those with a more modern bent will gravitate toward the clean lines of waterfall edges, crosshatch surfaces and planking details that speak to authenticity and the hand of the maker. Welcome to the peaceful, easy feeling of Big Sky. It's time to simply breathe.

Inspired by the Belgian design aesthetic, Bohème expresses the elegance of simplicity and the essence of comfort. Lyrical and intentional, Bohème offers a subtle array of three antique gray-white finishes, speaking to Belgium's penchant for all things gray. A neutral palette of gray, blue, white and soft brown blends lyrically with an array of textures and shapes to create Bohème. The poetic beauty of each piece is unveiled in Bohème through texture, color, piece character and artistic shapes.

Texture narrates a story that is woven through diverse elements. Deep, neutral, washed Belgian linen fabrics and textural 'grain sack' linens are roughly covered in plaster to evoke the feeling of plaster walls. Bohème also features smooth stone that is honed rather than polished. A zinc tabletop adorns dining room tables.

Finishes in the furniture collection range from the nearly opaque antique milk paint with a brush-painted effect, to two blue-toned finishes. Mercantile white is an antique gray-white on a medium sand-blasted poplar, and grain sack is linen with plaster applied on top to give the look of a plaster wall. All emanate from Belgium's love affair with neutral gray palettes that many say come from the Belgian sky that is gray most of the year. The use of neutral blue tones is a requirement of Belgian design, and is expressed in Bohème through bold merino blue in a slate gray speckled rub-through finish, and stonewash, an interplay of blue, white and gray on a finely textured surface.

Imagine a coastal breeze drifting through aged oak trees adorned with Spanish moss, gently ruffling the magnolias alongside historic homes, buildings, and churches that frame the cobbled streets of old. It was during this tranquil stroll through Southern lore that the inspiration for “Charleston” was born. Charleston is a whole home collection that embodies the area’s classic traditional charm, coastal retreat, and refreshed English heritage. The traditional soul of the collection is set apart by translucent cathedral cherry veneers, exotic walnut and maple inlays, age worn black cherry accents, and custom antique burnished hardware. The collection also offers a more casual West-Indies inspired design using various materials that harken to the open sea where trade ships of the past carrying exotic spices, fabrics, and foods would dock along this southern jewel. Experience the history, the elegance, and eclectic charm that is Charleston.

Pecky pecan veneers are warmed by a soft amber color and a touch of aged white paint to highlight distinctive grains and moldings in the caramel froth finish. The Paris vintage finish is a distressed vintage white with fretwork overlay. The antique linen finish is in a parchment color on our Upholstered Panel Bed, with each finish capturing the rich patina of an heirloom while bringing out the depth and character of the wood.

Custom-designed, generously scaled burnished bronze drawer pulls and hardware are inspired by antiques.

Inspired by the small farmhouses that dot the French and Italian countryside and have been in the hands of the same family for generations, Hooker Furniture introduces the rustic Ciao Bella Collection. The whole home collection is an eclectic mix of European farmhouse pieces that have the appearance of furniture that has been refinished multiple times as it has passed through the generations.

CIAO BELLA

Ciao Bella includes bedroom, dining room, occasional, home office and accent furniture, and features multiple finishes including a finish called speckled gray, black, natural, and flaky white oak that accentuates the historical nature of European farmhouses -- many of which include a variety of furniture styles that have been added by each generation of owners.

Constructed of maple, spruce and white oak, the collection features eight finishes that accentuate the historical nature of European farmhouses – many of which include a variety of furniture styles that have been added by each generation of owners.

With timeless pieces that never go out of style, Ciao Bella takes us back to a simpler era where life seemed to move more slowly than it does today.

Targeting the next generation of furniture buyers, Hooker Furniture unveils the Commerce & Market brand of accent and occasional pieces. Interior designers were front-of-mind when the Hooker Furniture team developed the dynamic palette and flexible applications of pieces within the new brand. The assortment of modern and updated designs presented within the brand include a dynamic variety of materials, styles and color palettes to inject a younger sensibility into the company’s portfolio. Commerce & Market consists of pieces for the living room including a variety of accent tables, credenzas, consoles, chests, cabinets, etageres and bar carts. Globally sourced with design inspiration from around the world, the curated designs feature an eclectic assortment of materials including cast metals, bone inlay, marble, stone, travertine, painted glass, acacia solids, pecan, oak, mango wood, and walnut veneers in a variety of rich finishes.

Sleek shapes, soft curves and mixed materials give a sophisticated and modern simplicity to Curata.

Elements like plated black nickel, stainless brushed brass and marble blend eclectically, and rustic modern finishes exude a cosmopolitan yet natural vibe.

Modern, yet natural finishes mix effortlessly in Curata. They include Midnight, a deep brown and Mountain Modern, a medium greige.

Hardware is a sleek pull in materials such as Lucite and brushed brass, stainless steel or a simple brushed brass knob.

Striking a balance between heritage craftsmanship and contemporary versatility, where history and refinement are woven into every detail, the 45-piece Driftwood collection is rooted in authenticity. Revealing a depth of texture and a timeworn patina that evokes the beauty of naturally aged materials, the collection unfolds in three finishes. Buckboard evokes the quiet warmth of sun-faded oak. Worn Saddle is deep and burnished, a nod to the supple leather of well-loved armchairs and hand-tooled heirlooms. And Burnt Timber, dark and moody, carries the quiet drama of wood softened by time and touch. With an emphasis on craftsmanship and enduring style, the Driftwood collection offers a sophisticated yet livable approach to design, reminding us that true beauty—like great design—only grows richer with time.

Elixir is a casual contemporary collection that, like its name implies, exudes a feeling of comfort, simplicity and well-being. While Elixir has crisp, clean lines, character and visual interest are also achieved through the use of texture. Textural interest comes from the use of lightly sand-blasted walnut veneer, light texture applied to the metal elements along with a hand-carved texture added to the surface of select pieces such as the oval mirror.

ELIXIR

A serene gray beige main finish, complemented by a cool gray accent color and paired with soft champagne silver metal elements contribute to the soft modern and casual appeal. The bedroom focal point is an upholstered bed featuring a silver gray colored super-soft velvet on the headboard, with an all-around border in the carved texture and accented by a strip of the soft gray accent finish.

The Texas Hill Country is like nowhere else on earth. Known for its exceptional natural landscape that includes rolling hills, flowing rivers, natural formed caverns, and grand visual expanses, the area also features an inspiring mix of Spanish and German influences that are obvious in the food, architecture and music of the area. Collectively, these and other unique characteristics of the Texas Hill Country create a distinctive Texas culture that is quite different from the state's more Southwestern influences.

HILL COUNTRY

HILL COUNTRY DINING ROOM

Hill Country is a collection of bedroom, dining, home office and accent furniture crafted of flat-cut rustic white oak veneer that is cracked before the finish is applied to appear seasoned over time. Selected pieces are crafted in a carved “Gambel Oak” motif inspired by the scrub oaks that are so prominent in the American West.

The main finish is a timeworn saddle brown that is paired with an anthracite black with light dusty-wax hang up to create a two-tone finish that is as authentic as the countryside from which it emanated.

The custom-crafted hardware in an aged pewter finish has shaped back plates and is inspired by hand-wrought ironworks from Texas Hill Country.

HILL COUNTRY BEDROOM

The main finish is a timeworn saddle brown that is paired with an anthracite black with light dusty-wax hang up to create a two-tone finish that is as authentic as the countryside from which it emanated. The accent finish was inspired by native sandstone with characteristic aged black highlights that has been quarried in the Texas hill country for centuries. The custom-crafted hardware in an aged pewter finish has shaped back plates and is inspired by hand-wrought ironworks from Texas hill country.

How do you marry a passion for opulence with a casual lifestyle? The groundbreaking Rhapsody Collection is the answer, bringing together classic design elements, grand scale and a relaxed rustic finish to create an impassioned marriage of casual opulence. Exuberant scale and serpentine shapes infuse the pieces with emotion, while timeless motifs like scrolls, rope twist molding, the acanthus leaf and fleur de lis anchor Rhapsody in old world charm.

Grand scale, ornate carvings and serpentine shapes infuse Rhapsody with opulence, and timeless motifs like rope twist molding and the acanthus leaf celebrate the collection’s traditional European roots--updated for today’s lifestyles. Details such as chevron veneers and gadrooned edges delight both the eye and the hand. The original inspiration for Rhapsody was a scroll carving which became a recurring theme throughout the collection used on several signature pieces.

The defining element of the Rhapsody collection is a walnut-colored finish inspired by the natural yet rustic nature of reclaimed woods in beautiful patinas. The mixture of pecky pecan, hickory, walnut ash and maple veneers over poplar solids creates character through variations of color tones in the wood, knots and striate, adding to the natural, casual feel. Rhapsody’s custom antique silver hardware includes a decorative pull with a scroll motif, two sizes of carved floral knobs and a custom drawer pull.

Channeling jet setting socialites from the golden age of Hollywood as its muse, Hooker Furniture launches a major expansion to its popular Sanctuary collection. The bedroom, dining room, occasional and home office pieces are grouped into three unique new personas, each of which embody the influences of the iconic starlets who left impressions of glamour, charm and class on American pop culture.

From bold and dramatic to soft and romantic to a statement-making eclectic lifestyle, the three personas - Collette, Anastasie and Diamant - effortlessly bring to life a well-traveled socialite who has curated a collection of home furnishings in her metropolitan home that tell the story of her travels across the globe. Collette, a bold and dramatic look, is characterized by its dark black painted finish which serves as the perfect backdrop for intense pops of champagne, silver and gold, along with eglomise mirror details. Anastasie offers a softer, romantic look with its creamy white finish that is accented with champagne and silver tipping. Several historical reproduction styled pieces in a two-tone finish are intermingled throughout, giving the group a bit of a traditional European cottage style. Offering a more metropolitan style, Diamant has an eclectic attitude. Anchored by a silver finish with rich undertones of gold and champagne, the group is complemented by a bold, black accent finish, mirrored details, champagne metal finishes and a fresh white eglomise process, accented with silver tipping.

Through the Sanctuary Collection, you can create a sanctuary in your own home, a tranquil space that exudes a peaceful calm and grace, almost like a weekend retreat. When you walk into your home at the end of that long day, you will be delighted and your spirit will be renewed.

Designed to create a comfortable and inviting retreat within the home, the Serenity collection is defined by its casual finishes and variety of organic textures and materials that combine to deliver a relaxed aesthetic. Inspired by casual, waterfront living, the collection was designed to bring the relaxed aura of the outside in -- no matter where the consumer lives. White oak veneer delivers two key finishes -- a whitewashed look and a weathered gray -- and is accented with shades of soft coastal blue, sand blasted pine and soft white bronze

metal details. Organic materials including abaca rope, natural stone, painted grass cloth, louvered details, and faux coral motifs add to its casual style. The collection's silhouettes were designed to reflect three distinct personalities -- a traditional nature with serpentine shaped case pieces and a softer aesthetic, a modern persona with linear shapes and coral accents, as well as a more casual contemporary character with soft-edged case pieces and organic surfaces.

Hooker Furniture's Vineyard Row is inspired by the organic beauty of California wine country, the whole home collection embraces the rustic charm and organic aesthetic of Sonoma and Napa Valley. Crafted with Pecky Hickory veneers, it is available in the main finish, Sonoma, which offers a light and airy vibe, reminiscent of the crisp white wines of the Sonoma region. The Napa finish, featured on select pieces, exudes a darker aesthetic inspired by the robust red wines of Napa Valley. Designed to work within a variety of lifestyles and geographies, the light finish with the dark accent finish allows it to transition between rustic settings as well as more refined environments. Influenced by Spanish missions, quaint bungalows and local architecture, Vineyard Row seamlessly blends earthy elements with sophisticated design. Details including high-low veneer planking, rustic hammered metal bar hardware, metal stretchers and seeded glass add to its authentic style. Several pieces in the collection include elements inspired by local craftsman-style architecture and items found throughout vineyards such as wine presses, wine barrel straps and post and beam construction.

Quality From Start To Finish

Of all the aspects of wood furniture, the finish most visibly reflects its character, quality and style. While the finish is one of the last things we do, it’s the first thing you see. That’s why at Hooker, we utilize a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes “feel” as good as they look, with a smoothness that is delightful to the touch.

Wood & Veneer Construction

Many of our furniture items are constructed of hardwood solids and veneers or hand-painted finishes over durable wood products such as medium density fiberboard (MDF) and particle board. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture. Due to a wide variety of wood species and decorative designs used in our furniture styles, variations in construction are possible.
